ACTIVITIES DESCRIPTIONS

NOBOSIBIRSK STATE ART MUSEUM

Rooms of Novosibirsk State Art Museum first opened to visitors at the end of December 1958. Since 1982, it is located in a former Sibrevkoma - an architectural monument of federal importance, built in 1926, designed by the prominent architect Siberian A.D.Kryachkova. Now funds of the museum houses more than 11,000 works of Russian and Western European paintings, drawings, sculpture, decorative art XVI - XXI centuries, much of which is represented in the permanent exhibition.

MUSEUM OF LOCAL HISTORY

The Museum is located in a heritage site of federal importance, the City Trade building. The semi-basement of the building is occupied by a permanent exhibition called Ancient Siberia which recreates the households and religion of the native peoples of Siberia.

NOBOSIBIRSK OPERA AND BALLET THEATRE

The Novosibirsk Opera and Ballet Theatre is the largest musical theatre of Russia. The theatre company has gained a reputation of one of the best musical theatres of this country, and such reputation is supported by participation in national and international festivals, interesting productions in its repertoire, many professional awards and extensive touring. The building of the Novosibirsk Opera and Ballet Theatre is the well-deserved symbol and pride of the Siberia region.

RESTAURANTS DESCRIPTIONS

SALT RESTAURANT

SALT is a modern gastronomic restaurant in the center of Novosibirsk. Salt is the basis of gastronomy, the food is not tasty without it, the extent of adding salt to the dish - a real art. Salt can be found on any kitchen. Effect of salt on the life and worldview of human has always been great. The whole concept of SALT is focused on high international standards. The design of the restaurant is elegant Nordic style.

LA MAISON RESTAURANT

Interior in modern style, ceremonies, silverware, impeccable etiquette. This means that any business-friendly lunch and dinner will be remembered as a very special occasion. In confirmation of this it is mentioned that in 2007 there had dinner Presidents Vladimir Putin and Nursultan Nazarbayev. La Maison Restaurant can rightly be considered one of the attractions of Novosibirsk.

Kitchen of the best houses in 1900s had united the two culinary cultures - French and Russian. The elegance of the French approach to life had been mixed with Russian hospitality. Concept La Maison - tribute to this amazing, fascinating era.

SIBIRSIBIR RESTAURANT

All that reminds of Siberia is widely used in the interior of the restaurant: samovars, teapots, blankets, various pickles and other elements of the Russian-Siberian life. For example, a wall with boots and shawls. Or the ceiling of the bar, ten thousand spoons, which effectively shimmer, riveting the attention of visitors. Cuisine is based on several basic elements: a traditional Russian, the Soviet and modern Russian. It is worth emphasizing that the local product is mainly used.
